

Middlesex County Republican Women's Club

You Have a Seat At Our Table!

Membership in the Middlesex County Republican Women's Club is open to women and men and provides you the opportunity to share, support, and advance the ideals of the Republican Party. Meetings are held monthly but you are not required to attend every one. There are a variety of social, educational, campaign-related, and community service events for you to enjoy and support.

Membership has its benefits! Enjoy discounts to fundraisers and special events throughout the year. You can get access to Members-Only events, too! Only Members have the ability to vote for our Officers and policies. Plus, Members of our Club receive a Donation from us if they run for elected office in Middlesex County! The donation is always greater than the cost of Membership -- so it REALLY pays to be a Member!

Membership in the MCRWC also includes membership in the State Federation of Republican Women, and in the National Federation of Republican Women -- with opportunities to meet like-minded women and men from all over our state and great country!

To renew or sign up for the first time, the fee for women is \$35. Men may become Associate members of our club for only \$25. **Join or Renew NOW - We Will Work Together to WIN!**
